

# MWRA NEWS RELEASE

**FOR IMMEDIATE RELEASE:** March 20, 2008

**CONTACTS:** Ria Convery, 617-788-1105 or [ria.convery@mwra.state.ma.us](mailto:ria.convery@mwra.state.ma.us)

## **MWRA WORK IN EAST MILTON SQUARE** *Traffic restrictions will be required*

On April 1, 2008, the Massachusetts Water Resources Authority's work on its Southern Spine Distribution Mains Project on Granite Avenue will be expanded to East Milton Square. For the next three months, only one lane of traffic will be open through the intersection of Adams Street and Granite Avenue.

Exit 9 off of Interstate 93 northbound will continue to be closed between the morning and evening rush hours for about the next week or two.

The MWRA apologizes in advance for any inconvenience this work may cause and asks for your patience as we work to improve the reliability of your water supply system.

The Southern Spine Distribution Mains Project involves the rehabilitation and/or replacement of three water transmission mains serving the communities of Boston, Milton and Quincy. This project is needed to modernize the water distribution system, provide adequate capacity for these communities, and service the new Blue Hills Covered Storage Facility.

If you have questions or concerns, please contact Len Cawley at (617) 660-7972.
