Emergencies can be natural or man-made. For Family Readiness Planning Guides visit the Town of Milton LEPC website at www.townofmilton.org, click on Boards and Commissions, then LEPC. The following links are listed:

Are You Ready? Emergency Planning Book for household preparedness, available from FEMA at www.fema.gov/areyouready or call 1-800-480-2520.

Family Preparedness Guide: Available from Department of Homeland Security at www.ready.gov or call 1-800-237-3239.

Things to Consider:

Do's:

- Do stay Calm
- Do be patient
- Do think before you act
- Do know the location of the nearest fire alarm box and how to use it
- Do listen to radio or TV for updates
- Do develop a Family Disaster and Communication Plan
- Do make plans for: food, water, basic first aid and emergency supplies, warmth and any special items (such as medicines) you might need either to evacuate or shelter in-place. Shelter-in-place means staying where you are either for short or long periods of time.

Don'ts:

- Don't panic
- Don't hinder emergency services by sight-seeing to problem areas
- Don't tie up phone lines unnecessarily
- Don't touch ANY downed wires
- Don't ignore evacuation orders; if evacuated, don't return home until authorities say it's safe
- Don't ignore Shelter-in-Place orders
- Don't use charcoal or propane for indoor cooking
