The Milton Talent Bank is a means of identifying residents who are interested in serving the community, including persons who have special interests, education, or experience needed for special tasks.

There are 24 committees appointed by the Board of Selectmen and 9 committees appointed by the Moderator for terms ranging from one year to indefinite. Since many members are willing to serve for more than one term, and the interest of the Town would often be served in that matter, the number of opportunities is limited.

Please indicate any Committee on which you would like to serve. If you are interested in more than one, please rank your interests.
