2. Update on Summer/Fall Programs:  
   a. Paul discussed what a success the Summer programs have been and thanked all involved. We still have a few programs in front of us then we will be looking at the Fall. MOB is questionable with basketball still being in the high-risk category. We could run some youth basketball clinics and Tennis. MSID cannot happen until possibly January. Also discussed was the renewal of the Teen ctr. software that is due. Guidelines have not put out yet for Teen Centers we may need to discuss this in a future meeting.

3. Update Street Hockey:  
   a. Kevin updated the board on his recent meeting with Pete Jackson at targeted location for the Street Hockey Rink at Kelly Field.
   b. Kevin Freytag was on the call to discuss the legal logistics of the donation of naming rights.
   c. The board discussed with Paul the possibility of a Street Hockey Clinic in the coming weeks. Paul agreed it would be a good time to put a clinic together with the additional weeks being added to the Summer vacation due to the delay in opening of schools due to the Covid-19 State Guidelines.
   d. Regina did speak regarding an abutter that had reached out to her with some concerns with the Street Hockey Rink money being spent. She did follow up and offer to attend this meeting, but she had never received a response.

4. Mangers Reports:
   a. Kevin spoke regarding town leagues. Kevin said it has been busy for the Summer. With the delays it was Spring season taking place in the Summer. Summer seasonal help has been very helpful in keeping up the fields.
   b. Kevin and Bonnie spoke regarding a Park video they are putting together. One of the rec staff had used his drone to take some great aerial pictures of park properties. We will email and post on the Park Facebook.
   c. Scott discussed with Kevin and the board Lower Gile Rd. and whether we want to move forward at this time with work on the field. Kevin discussed the Fall football and that it is not likely that it will happen with the state guidelines. I recommend we hold off. The board was in agreement that we should hold off on any work at the field.
Adjourn: 2:45pm.
