2. Youth Task Force Committee Position:
   a. Scott discussed the need to for him to step down from his current position on the Youth Task Force due to other obligations. He is looking to see if another Commissioner would like to step in to fill his place. Regina said she will fill the position. Scott motioned to select Regina Malley to represent Parks and Recreation on the Youth Task Force Committee. Ted Carroll 2nd. and on a roll call vote all agreed.

3. Field Lighting:
   a. Ted Carroll discussed a recent conversation with Softball regarding the lighting at Gile Rd. needing to be updated. Ted was questioning who is responsible for the lighting there? Kevin said we usually are. The lighting would need to be updated by someone outside of the town. It is a high area, and we would not be able to reach it. Kevin said we would look into it and see what the cost would be to change out the lighting to possibly LED. We can also check with Mike D. on what he did when he changed out the street lighting around town. Bonnie did find a grant for lighting on the Eversource site that we can investigate. We can follow up next meeting.

4. Managers Reports:
   a. Kevin discussed the Street Hockey rink. It is up and running. We have put some new signage up regarding mask requirements and hours of operation being dawn to dusk. We will paint the rink in the Spring when it is warm enough. Ted brought up the recent shut down of Ice Hockey due to spreading of the virus. This will increase the use of the Street Hockey courts.
   b. Paul discussed the Street Hockey league that he was looking to run. We may be looking more at the Spring. I have everything ready to go and it will be set up much like the MOB on Saturdays and Sundays using both rinks. One at Cunningham Park and the new rink at Kelly. Paul brought up an idea Bonnie has looked into for a Milton Holiday House Decorating Contest. Bonnie discussed the contest with the board and emailed out the flyer to them for any feedback they may have on the contest. The board liked the idea and will discuss again as we get closer.
5. Members Reports:
   a. Scott discussed the traffic change on Brook Rd. going down to one lane. Has there been any safety issues? Paul and Kevin said they are not aware of any issues.
   b. Regina discussed regarding Kelly Field the possible use of the Lincoln Street lot to handle overflow of the parking lot at Kelly.
   c. Regina asked Kevin about the netting for Pickleball. Kevin did replace it but the whole system got damaged in the recent storm. We will need to replace the whole set up.
