Hello –

We want to let you know we are thinking about you during this challenging time. The Council on Aging team has been assisting our seniors and will continue to be here for you. If you or someone you know would like to receive periodic check in calls please reach out to us at 617-898-4893. Additionally, our website has been updated with a COVID-19 Resource Guide containing information on town services, COVID-19 supplies, and other helpful materials. Please visit our website at [www.townofmilton.org/council-aging](http://www.townofmilton.org/council-aging) and follow us on Facebook at **Milton, MA Council on Aging** for updates.

As we announced in the March newsletter, the Council on Aging (COA) staff has been moving forward on implementing our new MySeniorCenter Automated Check-In System. This system is designed to help us better communicate with you, manage the various sign-ups and sign-ins, and improve our reporting. We would like to implement the system now because it will allow us to make calls and emails on a large-scale basis, rather than individually, with important messages about the COVID-19 pandemic and upcoming COA events.

In order to launch the system now we need your help. Enclosed is a questionnaire we are asking you to complete and return to us via the enclosed stamped self-addressed envelope. The information you provide will be used to set up your personal profile in the MySeniorCenter Automated Check-In System.

To ensure your right to vote while maintaining your health and safety, we have posted the link on the Council on Aging website for an Absentee Ballot Application for the upcoming June 9, 2020 Annual Town Election. Also, please don't forget to respond to the 2020 Census. This can be done online at [www.2020census.gov](http://www.2020census.gov)

Please complete the MySeniorCenter questionnaire and return it in the stamped self-addressed envelope. Once completed, please put in your personal mailbox for carrier pick up. If you have any questions or concerns, please reach out to us at (617) 898-4893. Stay well and we can't wait to see you when we reopen.

Warm regards,
