Milton Recycling & Yard Waste Information 2018-2019

Recycling update: Carts, Textiles, Mattresses, and more!

Annual Stickers: Annual stickers for Fiscal Year 2019 are now available. Stickers follow the Town’s fiscal year and expire on June 30, so if you use an annual sticker, it’s time to replace it! If you don’t have a purple sticker in July, your trash will not be picked up. To purchase an annual sticker, call the Treasurer at 617-898-4853.

Recycling Carts: The Department of Public Works is excited to announce that the Town will be providing wheeled recycling carts to each household, beginning in August. **Blue recycling carts will be delivered throughout the month of August.** All household recycling should go in the carts once they arrive. More information will be delivered along with the carts. If you do not get a cart by September 1st, call DPW at 617-898-4900. The items you can recycle are still the same – see the other side of this card for details.

Textiles: You can drop off textiles at any of the donation bins in Milton Public School parking lots. Any condition is acceptable as long as the item is clean – we can even take your holey socks! Our vendor rebates Milton PTOs for the material.

Mattresses and box springs: These items are now collected curbside **by appointment only on Tuesdays.** Each mattress or box spring requires two \$3 stickers for disposal. To make an appointment, call 617-898-4900 or visit the DPW website. The sidebar has a link to the mattress collection web form. Mattresses are recycled, keeping a significant amount of reusable material out of the landfill.

Medications and sharps: Sharps can be disposed at the Milton Health Department (Town Hall, basement) in a container. The Police Department has a 24/7 MedReturn kiosk where pill medication may be returned – put the medication in a zip-top bag and put the bag in the kiosk.

Questions? Want to dispose of something you don’t see here? You can look up how to dispose items on the Town website at www.townofmilton.org/how-do-i-dispose or at recyclesearch.com.
