Out of a preponderance of caution, in response to the evolving Coronavirus/COVID-19 situation, the Milton Health Department is suspending the following inspections and activities until further notice.

**Housing inspections**, other than situations involving conditions deemed to endanger or impair health or safety.

**Food Service Establishment inspections**, other than those related to food-borne illness investigations, or emergency response.

**All other permit-related inspections**.

**All complaint inspections**, except for those deemed to be imminent threats to health and human safety.

**Requests for variances** that require Board of Health review.

**Services that will continue**:

- Review of inspection reports
- Review of all proposed plans
- Email and phone messages responded to within 48-hours.
- Information requests
- Title 5 soil evaluations and percolation test witnessing and installation inspections on a case by case basis

**Town Hall will be closed to the public beginning Tuesday, March 17, 2020 until further notice.**

Town Hall employees will continue to be at Milton residents’ disposal via virtual platforms (i.e. phone calls, emails, etc.)

Other applications can be requested through the Milton Health Department email address: Iдельчия [email]

Please fill out your application, with all required information and fees, then mail to the **HEALTH DEPARTMENT/525 Canton Avenue, Milton, MA 01286**

We appreciate your patience as we do our best to ensure continuity of operations, while also respecting the health and safety of the public and staff.
